Graduate Student Travel Grant Application

Through the generous support of members of the Metaphysical Society and a grant from the Hocking-Cabot Fund for Systematic Philosophy we are pleased to offer travel grants to graduate students whose papers are selected for the program for our annual meeting. A Travel Grant may not be full funding of un-reimbursed expenses, but it will be enough to help.

All applications for assistance should be submitted no later than January 1, prior to the meeting. Then, within two weeks after the meeting, recipients will need to submit an accounting of expenses, including copies of receipts for lodging, travel, etc. Also, recipients should indicate other funding you received, if any, whether you shared expenses (e.g., split a room), etc.

Send completed application form, by email, to Brian G. Henning no later than January 1. Expense reports and receipts may be sent via email (henning@gonzaga.edu) or by post (Brian G. Henning, Gonzaga University, Philosophy Department, Spokane, WA 99258). Applications will be reviewed by the Executive Council of the Society.
